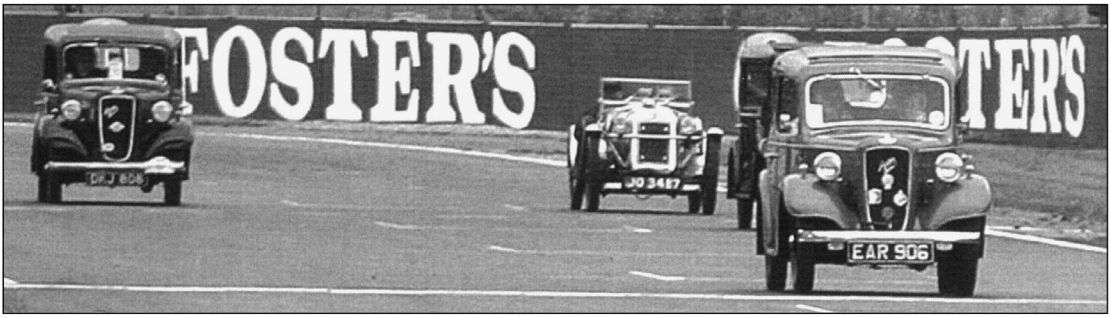
Display and Parade at the 2019 Summer Festival Race Meeting

80 FOR 80 750MC
1939 - 2019



Austin owners: you are invited to display & parade your vehicle at the 750 Motor Club Summer Festival

This year the location will be Donington Park (DE74 2BN); one of the UK's favourite venues and subject to a recent renovation with new facilities. There will be racing on track from the Historic 750 Formula series as part of a busy weekend race schedule featuring 10 other formulae, and the plan this year is to aim for at least 80 Austin Sevens on track - **anyone who turns up in an A7 can join in after signing on.** **1 x Entry ticket & commemorative race programme included per car.**

Why 80 for 80? 2019 Marks The Following:

- **80th Anniversary** of the 750 Motor Club
- **80th Anniversary** of the last Austin Seven manufactured
- **80th Anniversary** of the last race won by an Austin factory Twin Cam racer
- 70th Anniversary of the 750 Formula as drawn up by Holland Birkett and Jack French
- 25th Anniversary of the Bert Hadley Sprint and Hill Climb Championship for Austin Sevens

DoningtonPark

Entry Form

Where? Donington Park **When?** Sunday 8th September

Please complete this entry form and return it to the 750 Motor Club office at the address below
