

Allcomers series 2010

The 750 Motor Club are running a series of 'Allcomers' races at a selection of its race meetings in 2010.

There are basically only 3 rules:-

1. The driver must be a member of the 750 Motor Club.
2. The car must not be a single-seater.
3. The car must comply with the relevant sections of current MSA regulations J, K & Q.

We are aware that there are many competition cars which have no particular home in which to race. This may be because their original series has been discontinued, that the car was not constructed to fit into any existing series or the driver does not want to be limited to a single-venue series. Of course there may also be occasions when a driver simply wants to race at a circuit he's not been to before or is not visiting with his own series during the course of the season.

We will be collecting information about the various vehicles which race, with a view to structuring a broad set of regulations for future years.

In the meantime the series offers 8 x 15 minute races at a selection of circuits in the UK, as follows:-

- Mar 14 Snetterton
- Apr 4 Mallory Park
- Apr 24 Brands Hatch
- Jun 19 Brands Hatch
- Aug 28 Silverstone
- Sep 19 Snetterton
- Oct 2 Oulton Park
- Oct 17 Mallory Park

Other dates/venues may be added to if space should become available at other 750 Motor Club race meetings.

These races are not restricted to drivers entered in another race at that meeting although if they are, they will get a discounted entry fee. There is no registration fee but drivers must be or become 750 Motor Club members.

A registration form is printed overleaf should you want to come and play with us this year.
