

Does the 750 Motor Club need a new racing logo?

This is the current logo, as used on all race cars etc.

There is discussion going on at Board level about a possible redesign but, before going to the potentially costly lengths of commissioning new designs, it was thought worthwhile to canvass members on their opinions.

Please take the time to answer a couple of questions and to email to completed questionnaire back to me.

How do you rate the existing logo for use on race cars?

- A. Good
- B. OK
- C. Awful

To assist in promoting the Club in the televised races, would you put 50% larger versions on your car?

- A. Yes
- B. No

Do you have any comments you wish to make about the logo?
