Lap Record Jeremy Clark 0:50.87 95.53 22/03/98

The 750 Motor Club Formula Vee championship is ideal for beginner and 'expert' alike, looking for competitive single seater racing on a low budget. It has been run by the 750 Motor Club since 1980 and is probably the cheapest way to go single seater racing in the UK. Engine, gearbox and much of the suspension and braking system is from the VW 1300 Beetle and this, along with a Dunlop 'control' tyre puts the emphasis on driver ability to win races.

Designed to ensure close racing and encourage new drivers into club racing at sensible cost levels the championship has now expanded to a point where 2 grids are necessary at some meetings .

For this race the 750 Motor Club's 750 Trophy series is joined by 500cc F3 cars from the 500 Owners Association as part of the Historic Formula Junior Championship.

The combination will make for an interesting race.

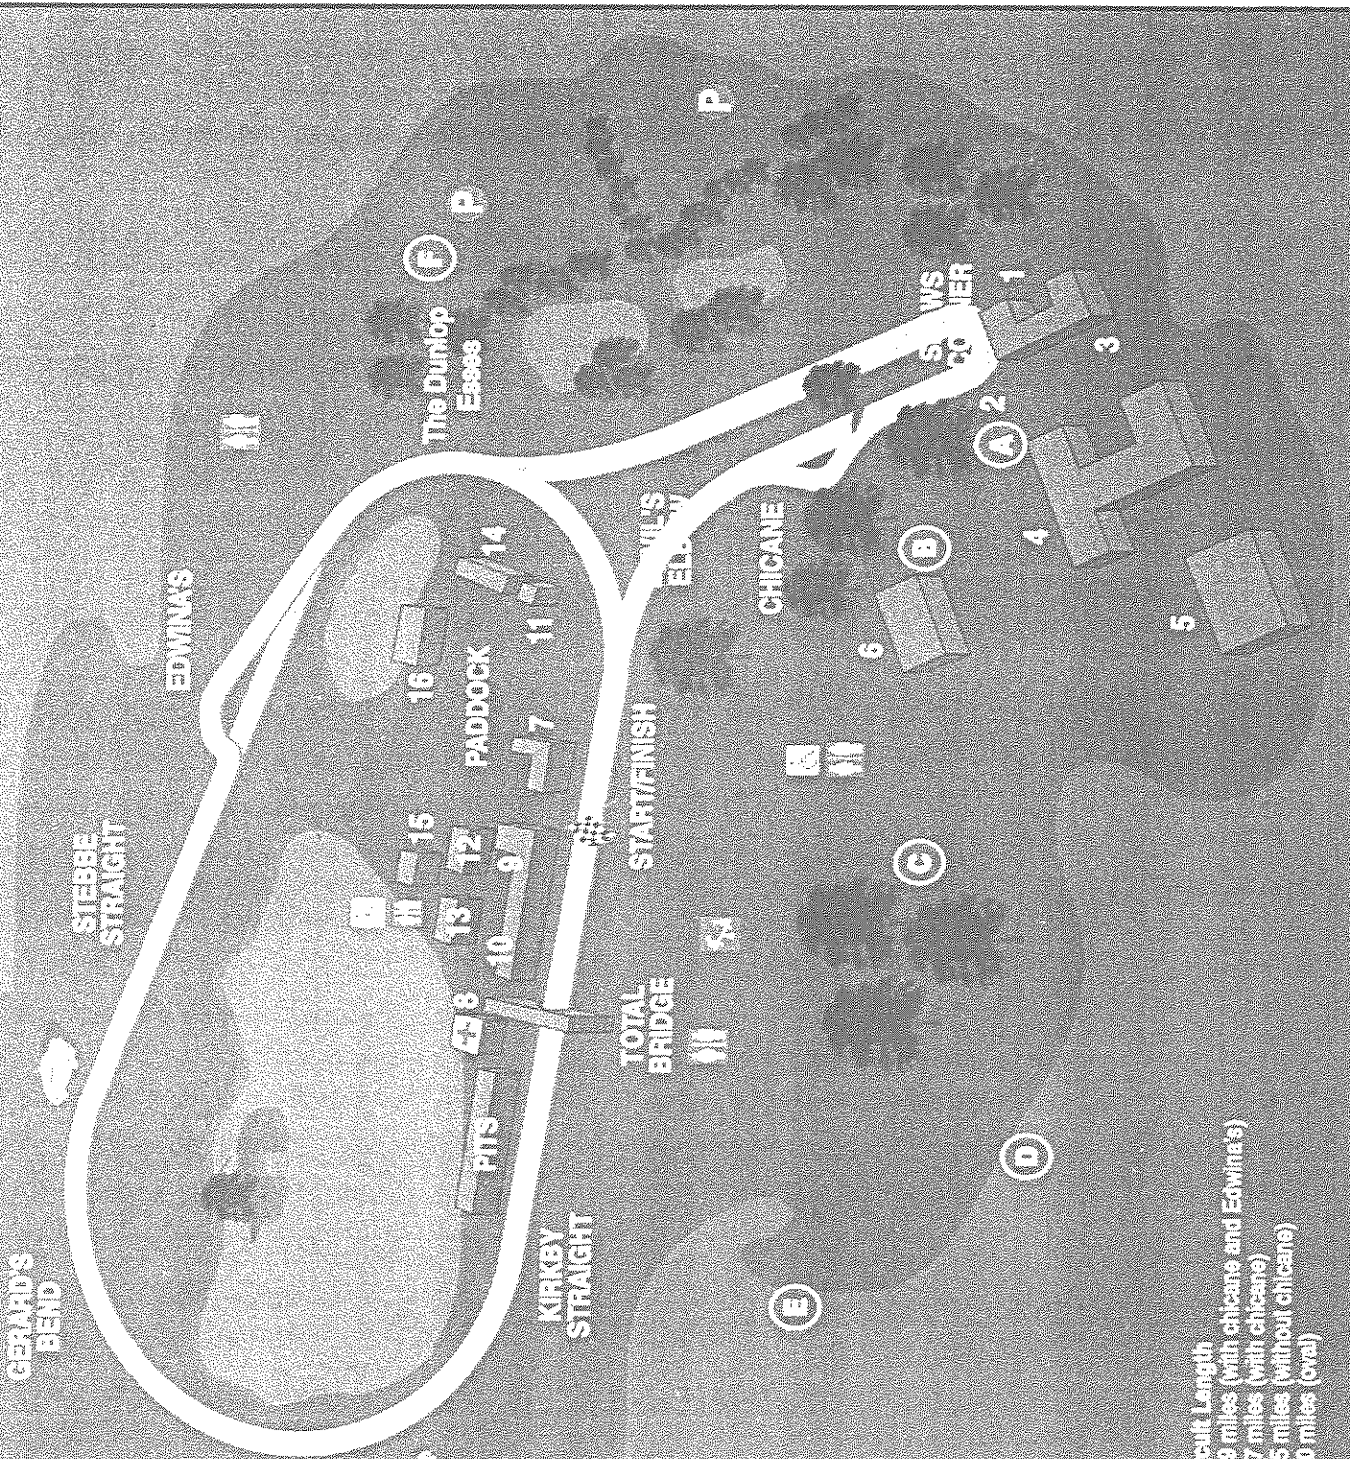

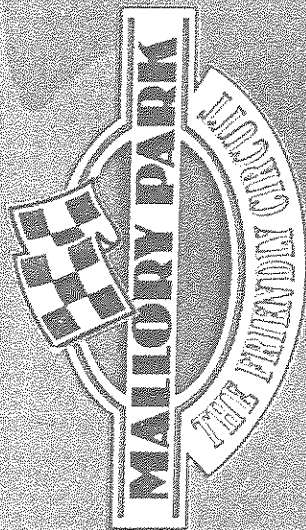

The 750 Trophy Series is for Austin Seven based cars, supported by other cars of historic interest and similar performance. As in the former pre-war Austin 7 Championship, Austin Sevens will compete in two classes:- Austin Seven sports and racing cars, post-war specials and early 750 Formula cars with Austin Seven engines/gearboxes. In further classes are cars from the old 1172 Formula along with vintage, PVT and historic cars such as 500cc Formula 3 and other similar vehicles.

The 750 Motor Club Sports 1000 series is new for 2003 and adds a new sports-racing category to its range of formula. Cars may be self-build, conversions from other sports-racing categories or can be bought 'off the shelf'. All must run with an unmodified BMW K100 motorcycle engine of 987cc capacity, driving through a live rear axle from a production car and must use a 'control' slick tyre from Yokohama.
