Demon Tweaks/Yokohama Stock Hatch Championship

The Stock Hatch Championship, is in its 10th year & continues to be the most popular championship in the UK. Modifications are strictly limited to basic rebore and blueprinting along with the use of standard gearbox; ignition systems are 'free'; suspension mods are limited to lowering and uprating of springs and dampers; brakes remain standard with free pad materials; a 'control' Yokohama A539 tyre and a weight penalty for leading cars ensures close racing at very affordable cost.

The above drivers are in the 1st Stock Hatch practice session – those on the next page are in the 2nd session. From the combined times of the two sessions the slowest 32 go into Race 1, the remainder into Race 5 which will be topped up to 32 by the top finishers in Race 1. For Sunday the same criteria applies to Races 9 & 18, but using the drivers' 2nd fastest time in practice.

750 Motor Club Formula Vee Championship

The 750 Motor Club Formula Vee championship is ideal for beginner and 'expert' alike, looking for competitive single seater racing on a low budget. It has been run by the 750 Motor Club since 1980 and is probably the cheapest way to go single seater racing in the UK. Engine, gearbox and much of the suspension and braking system is from the VW 1300 Beetle and this, along with a Dunlop 'control' tyre puts the emphasis on driver ability to win races.

750 MC Bike-Sports Series & 7 Challenge

New in 2005 was the 750 Motor Club's Bike-Sports series, backed by Circuit Driver magazine. The series caters for sports-racing cars of any make, fitted with a production motorbike engine and gearbox. It is divided into classes based upon the engine size, but also includes separate classes for the Radical Clubsport, Sports 1000 and Global Lights cars.

750 MC **SAXMAX** Championship

Introduced in 2006, this is the 750 Motor Club's championship for Junior drivers, aged 14 – 17 years. The car chosen is the Citroen Saxo VTR with very strict limitations on tuning and very specific safety features in accordance with MSA and FIA standards. The cars run with a control Piper camshaft, a control ECU and all run on the Yokohama A539 tyre supplied by George Polley Motorsport.

Premier Choice Group 750 Formula Championship

750 Formula is for two-seater sports racing cars, introduced by the 750 MC in 1949, as its first racing formula. The regulations provide ample scope for the amateur to design and build his own car, and to develop his skills in chassis / suspension design and engine tuning within carefully controlled limits. There are two engine options, either the highly tuned Reliant 850cc or the unmodified Fiat 'FIRE' 1108cc, the latter introduced in 2003 due to the diminishing supply of spares for the Reliant engine. All cars run on a control Yokohama slick tyre.
