The organisers reserve the right, with the permission of the Stewards of the Meeting and/or the Clerk of Course, to amend the timetable, to change the order in which events are run and to postpone, cancel or abandon the meeting or any part thereof.

Donington Park Racing Association Club

Since being formed in 1973 to assist Tom Wheatcroft in bringing back motor racing to Donington Park, the club continues to support grass root motor racing.

Today we are sponsoring this race meeting with £1000 prize fund for the 750 Motor Club races.

The club also helps individuals who might unfortunately have had a mishap on track; we do this by visiting hospitalised racers and offering them some financial help with their immediate situation.

We also provide help to the circuit medical and racing staff by buying essential equipment to help all racing drivers or riders. In the past we have bought items from overalls for the rescue members to a fire engine for the circuit (just in case)!

We give our members concessions donated by the circuit from a race meeting or even a track day where they can bring their own cars to take race around the circuit.

The club has its own designated area with a grandstand from which we get a fantastic view of the racing and for only £15 for single/£25 for joint membership it's great value!

The members of the DPRAC wish you all the best luck with your racing today and by all means, if you fancy joining, then please have a word with any committee member for further info or use our website at www.dprac.co.uk

750 Motor Club Formula Vee Championship

The 750 Motor Club Formula Vee championship is ideal for beginner and 'expert' alike, looking for competitive single seater racing on a low budget. It has been run by the 750 Motor Club since 1980 and is probably the cheapest way to go single seater racing in the UK. Engine, gearbox and much of the suspension and braking system is from the VW 1300 Beetle and this, along with a Dunlop 'control' tyre puts the emphasis on driver ability to win races.

No	Cls	Driver	Car details	ccs	Hometown

Cambridge Race Cars Bike-Sports Championship

Introduced in 2005, the 750 Motor Club's Bike-Sports Championship, is sponsored by Cambridge Race Cars. The championship caters for sports-racing cars of any make, fitted with a production motorbike engine and gearbox. It is divided into 3 classes: A up to 1300cc modified, B 1001 – 1300 standard; C up to 1000 standard and Radical Clubsport 1100. Minimum weights apply in all classes

Cambridge Race Cars (formally Cambridge Kit Car Company) was formed in 2003 by Jonathan Wright, who spent many years running Industrial Site Services - an engineering company supplying services to the aircraft and automotive industry. Cambridge Race Cars have built several successful racecars and competed in many motorsport events with the 750 Motor Club, including the SR4 in which Jonathan won the RGB championship in 2006.

Zero Exhausts Thoroughbred Sports Car Championship

The MGCC Thoroughbred Sportscar Championship started life as MGA racing back in the early 1970's. During the 80's it was decided to invite other British sportscars of the 50's, 60's and 70's to join and the format was set for the great inter-marque racing you see today. In the first year of the new format we linked with the Aston Martins and saw the beginning of many years of spectacular grids and races.

In the few years that Zero Exhausts has been trading it has established itself as one of southern England's top manufacturers of bespoke exhaust systems and manifolds catering not only for race cars but also for the private, commercial and aircraft industry here, in the USA and Australia.

Zero Exhausts is happy to be sponsoring the Thoroughbred Sportscar Championship for 2008 and we look forward to a great season of racing.

Demon Tweeks/Yokohama Stock Hatch Championship

The Stock Hatch Championship, is in its 11th year & continues to be the most popular championship in the UK. Modifications are strictly limited to basic rebore and blueprinting along with the use of standard gearbox; ignition systems are 'free'; suspension mods are limited to lowering and uprating of springs and dampers; brakes remain standard with free pad materials; a 'control' Yokohama tyre and a weight penalty for leading cars ensures close racing at very affordable cost.

750 Motor Club Locost Championship

The 750 Motor Club Locost Championship is for cars built to the same basic design and using a standard Ford 1300 cc crossflow engine, gearbox and many other standard components. All cars run with a 'control' camshaft from Kent Cams; modifications are limited to a rebore and basic 'blue-printing'. There is also a 'control' tyre, the Yokohama A539. There is free choice of spring rates and anti-roll bars; dampers must be steel-bodied and single-adjustable.

750 MC **SAXMAX** Championship

Introduced in 2006, this is the 750 Motor Club's championship for Junior drivers, aged 14 – 17 years. The car chosen is the Citroen Saxo VTR with very strict limitations on tuning and very specific safety features in accordance with MSA and FIA standards. The cars run with a control Piper camshaft, a control ECU and all run on the Yokohama C Drive tyre supplied by George Polley Motorsport.

SAXMAX

Launched in 2006, SAXMAX immediately became the UK's best-supported 'Junior' Championship, with average grids of over 20 cars.

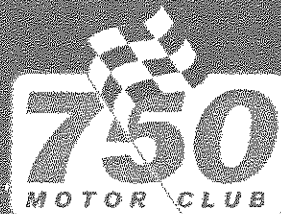

In its 3rd year it continues to provide young drivers with the opportunity to move up to or to start racing in a safe and controlled championship.

Every effort is made by the 750 Motor Club to maintain a 'level playing field' and to control costs.

This season's fees for 12 races plus untimed practice & timed qualifying sessions is under £2500.

SAXMAX 'graduates' have already moved on to race in the BTCC-supporting SEAT Championship and to Fford.

See either www.SAXMAX.co.uk or www.750MC.co.uk for more information.

Premier Choice Group 750 Formula Championship

750 Formula is for two-seater sports racing cars, introduced by the 750 MC in 1949, as its first racing formula. The regulations provide ample scope for the amateur to design and build his own car, and to develop his skills in chassis / suspension design and engine tuning within carefully controlled limits. There are two engine options, either the highly tuned Reliant 850cc or the unmodified Fiat 'FIRE' 1108cc, the latter introduced in 2003 due to the diminishing supply of spares for the Reliant engine. All cars run on a control Yokohama slick tyre.

750 Motor Club Toyota MR2 Championship

The 750 Motor Club Toyota MR2 Championship is new for 2008 & is for production based sports cars run as near standard specification as possible allowing for safety requirements. There are separate classes. Class A for the Mk1 and class B for the Mk2. Very few modifications from standard are allowed to keep costs down and maintain its aims as a budget series. All cars run on a control Toyo tyre and there are minimum weights in classes to even out the performance.

Lenham Cars MG Midget Challenge

The **MG Midget Challenge** is run by the MGCC and was started in 1977. Eligible cars include all models of MG Midget and Austin Healey Sprite, plus the 'historic' bodied versions such as Ashley, Lenham, Sebring, Speedwell and WSM. The championship is split into 3 classes, with varying amounts of modifications.

Group A: Fully modified cars running on Yokohama slicks.

Group B: Race modified cars running with standard shape bodywork and Yokohama slicks up to 6" width.

Group C: Road going cars, with limited engine and bodywork modifications, all running Yokohama tyres on 5" wide rims.

Lenham Cars MG Midget Challenge - 2008 with Cornwall Surveying

The challenge continues its 32nd season with round six of ten today.

The Midget Challenge is open to all MG Midgets and A/H Sprites including all historic variants such as Sebring Sprites and Lenham Coupes.

It has two new sponsors, Cornwall Surveying & Lenham Cars, plus increased support from tyre supplier Yokohama. Cornwall Surveying is a new company specialising in all types of building surveys including Energy Performance certificates and Home Information packs. Lenham Cars is an internationally known Kent based company with a long history in sales, servicing, restoration and race preparation of classic cars.

Next Round:- Oulton Park Circuit - August 9th

Race 15

13 mins + 1

750 Motor Club Golf GTI Championship

During 2007, the 750 Motor Club ran a series of races for the Mk2 VW Golf GTI as a 'trial' for a future championship. Interest in the series and the number of competitors were sufficient to allow the Club to be granted championship status for 2008, which is an exceptionally short gestation period in racing terms. Both the 8 valve (class 1) and 16 valve (class 2) versions are eligible and run to minimum weights. Tuning is very restricted – a 'control' Newman camshaft, 'control' Toyo tyres, uprated suspension, standard gearbox – and the racing is close.

AB Performance RGB Championship

First introduced in 2001, this Championship is for two-seater cars which must be capable of passing an MOT. Cars may be constructed specifically for the series or may be one of the many motorcycle engined cars currently available. The engines must be series-production four-stroke units and may not be modified from standard; they run in three classes; standard Fireblade engined kit cars (class C), up to 145 bhp (class B), 146 to 180 bhp and all rear-engined cars (class A). Control tyre is the Yokohama AO48R.
