Races 2 & 8**13 mins + 1 lap****Premier Choice Group 750 Formula Championship**

750 Formula is for two-seater sports racing cars, introduced by the 750 MC in 1949, as its first racing formula. The regulations provide ample scope for the amateur to design and build his own car, and to develop his skills in chassis / suspension design and engine tuning within carefully controlled limits. There are two engine options, either the highly tuned Rellant 850cc or the unmodified Fiat 'FIRE' 1108cc, the latter introduced in 2003 due to the diminishing supply of spares for the Rellant engine. All cars run on a control Yokohama slick tyre.

750 Motor Club Allcomers

Having run a few Allcomers races in the past, the 750 Motor Club is aware that there are many cars which, although fully prepared for racing, have no specific 'home' in which to race - this may be due to the cessation of a championship or series or the fact that the car was not built to any particular specification. The 750 Moor Club Allcomers races embrace these cars, plus those drivers wanting an additional race on the day.

MG Midget Challenge

The MG Midget Challenge is run by the MGCC and was started in 1977. Eligible cars include all models of MG Midget and Austin Healey Sprite, plus the 'historic' bodied versions such as Ashley, Lenham, Sebring, Speedwell and WSM. The championship is split into 3 classes, with varying amounts of modifications.

Group A: Fully modified cars running on slicks up to 10" width.

Group B: Race modified cars running with standard shape bodywork and slicks up to 6" width.

Group C: Road going cars, with limited engine and bodywork modifications, all running Bridgestone tyres on 5" wide rims.

Thirty Four Years of Midget Racing
This round is sponsored by Peter May Engineering

KRISSY DUFFY TROPHY RACE

Having been around the Midget race paddock from an early age Krissy was a true child of our Championship. One of the few females to contest the championship in recent years, her driving skills and competitive attitude made her many friends and won the respect of all the drivers. Her parents Gil & Sue donated a memorial trophy to be raced for every year at Mallory, her favourite circuit, and this will be awarded to the first Group B driver across the finish line today. This is also the final round of our eleven race 2010 championship series, which visited all the major UK circuits throughout the season.

Today's Sponsor

Peter May Engineering, a worldwide supplier of specialist parts, has been building and preparing road & track cars for this and other Championships since the early 1970's.

750 Motor Club Toyota MR2 Championship

The 750 Motor Club Toyota MR2 Championship started in 2008 & is for production based sports cars run as near standard specification as possible allowing for safety requirements. There are separate classes. Class A for the Mk1, class B for the Mk2 and class C for the Mk3. Very few modifications from standard are allowed to keep costs down and maintain its aims as a budget series. All cars run on a control Toyo tyre and there are minimum weights in classes to even-out the performance.
