PARC FERMÉ will be Scrutineering Bay and its approach road or any other area designated by Officials. The following regulations apply:-

- After taking part in and/or completing any practice session or race, all cars must (unless instructed to the contrary by an official) proceed immediately and directly to parc fermé.
- Access to parc fermé is restricted to drivers only. Drivers under 18 must be accompanied in parc fermé by the parent or guardian who has signed on for the event.
- Parc Fermé conditions apply at all times after taking the chequered flag until cars are released by the scrutineers. No work may be carried out on any vehicle without the permission of a scrutineer or official.
- Cars may be held in parc fermé for up to 30 minutes after the finish of any race, whilst selection for any technical checks is made.

Failure to comply with the above, or with the instructions of any official, may result in penalties as per C 2.1.1 being applied.

SIGNING ON: About 15 minutes before your

Scrutineering session, at Race Admin office; race licence & club membership must be shown. Non-presentation of a valid licence carries an MSA fine of £65.

SCRUTINEERING: As per the timetable and strictly in order. Cars presented early may be turned away. Overalls, gloves, boots and helmet must be presented at scrutineering.

FIRST RACE AT THIS CIRCUIT - DRIVERS' BRIEFINGS:

Any driver who has not raced at this circuit before under MSA car regulations must attend a Drivers Briefing PRIOR to going out to practice; these will be held at 7.45, 8.15, 8.45, 9.15 and 9.45 on Saturday & 8.15, 8.45, 9.15 and 9.45 on Sunday in the assembly area. Failure to attend could result in a fine of £165.

PRACTICE SESSIONS: Cars and drivers for the first practice session should go to the Assembly Area about 10 - 15 minutes prior to the scheduled time, or when called for on the tannoy. Following sessions should go to Assembly Area when the practice session prior to theirs has started, or when called for on the tannoy. Scrutineering passes must be displayed on all vehicles. Practice sessions cannot be delayed for drivers late in attending.

GENERAL DRIVERS' BRIEFINGS: If required these will be announced via tannoy and/or bulletin.

RACE GRID ASSEMBLY & START PROCEDURES: As per MSA Blue Book regulations Q12.7 - 12.16 inclusive. Be aware that cars will leave the Assembly Area shortly after the end of the preceding race; all drivers must be ready to go out on circuit. Starts will not be delayed for 'missing' drivers.

RACE STOPPAGES: If any race is 'red-flagged' twice, it will be re-scheduled to run as the last race of the day, time permitting.

FINISH PROCEDURE: After the chequered flag is shown on the finish line cars will leave the circuit via the exit road to the paddock or parc fermé as instructed. Outright winners should stop where instructed to collect their laurels. All other awards are to be collected at championship prize giving's or from Race Admin office, with race result sheets.

NOISE LEVELS: As per current MSA Regulations.

PARKING/CAMPING: Competitors must park in the area outlined on the plan enclosed - this assists if it is necessary to locate a driver during the meeting.

Competitors wishing to camp on the preceding night should not enter the paddock until any event taking place has ceased (ie at least 6.00pm). If you arrive late, please be quiet; any reports of excess noise reported to the organisers will be investigated and action may be taken. Do not damage the surface of the paddock or any buildings or other circuit property - you will be excluded from the meeting and the circuit owners may take action to reclaim damages. **For competitors racing on Sunday only, please do not arrive until after 6pm to allow those racing on Saturday only to vacate the paddock.**

GENERAL SAFETY REGULATIONS: No animals are permitted within the circuit grounds. Motorcycles, bikes or other wheeled 'vehicles' must not be ridden within the paddock by under 16's; it is a dangerous place. No under 16's who are not signed on for the event are allowed within any restricted area which includes pits, assembly area, startline and any other area carrying the warning signs.
