## MEETING PREVIEW | by James Winstanley

The 2020 season will stand out for various reasons in the racing archives, yet as we near the end of a tricky year, one event that looks set to continue its significant legacy will be the 750 Motor Club's iconic Birkett Six-Hour Relay Race. Whilst two November meetings this year means that the Birkett does not assume its traditional role as the concluding event of the UK's motor racing season, in 2020 the event remains more popular than and once again looks set to provide a capacity filling entry, with 70 teams expected and in excess of 300 cars once again for the UK's largest motor race on the full Silverstone GP circuit.

BMW Compact trio David Drinkwater, Paul Hinson and Adam Read took the overall handicap honours in an impressively wet (even for Birkett standards) 2019 event, ahead of Team Darkside and TEGIWA Type R Trophy – with all three ending on the same lap after six hours. Darkside's Dylan Brychta is the only driver to return this year from the second and third place outfits, joining MM Racing in a VW Golf, however The Three Amigos are back with an identical lineup - not to mention a huge haul of 2020 trophies between them from various club racing formulae across the season so far.

With various 750MC race wins, championships and Birkett awards (both Scratch and Handicap) under their belts, look out for the two Area Motorsport squads in a mixture of VW Golfs, a Seat Leon Eurocup and their infamous EP3 Honda Civics, whilst evergreen Birkett trophy recipients Routec Racing bring their usual two teams of mostly BMW-based 'Triers and Flyers.'

After coming perilously close on various occasions, Radical equipe Breakell Racing Heroes finally secured their first scratch win in 2019, and whilst drivers Luciano Bacheta and Wade Eastwood are not on the 2020 entry list, third driver Charles Graham this year joins one of two RJ Motorsport Radical-based teams, run by multiple sports-racing car champion Josh Smith. He's joined in V1.0 by Alistair Smart, Neil Glover and Jason Green, whilst v2.0 sees Bikesports frontrunners Joe Lock and Ash Hicklin team up with Matthew Jones, Joe Crook and former Boss GP Champion and Driver61 coaching ace Scott Mansell.

Other sports-racing car competition may well include Rob Wheldon's RAW Motorsport outfit in a trio of Radical SR3 RSX machines, whilst Paul Rose's JPR Saker Boys squad return with the Subaru powered sports-racers after a year out from their usual place in the lead Birkett pack.

RNR Performance Cars will showcase a stunning all-Ferrari team, whilst other exotica sure to catch the eye include Touch N'Go's Ford Mustang, Random Racers' Chevy Monte Carlo, Team Billy Bob's Corvette and NOC Racing MGs' TVR Cerbera, whilst names of note this year include the return of former Le Mans racer and British GT champion Martin Short to the Birkett, driving a Rover 216GTi of the type he first campaigned in the early 90s, this time shared with his son Morgan.

Seven-esque cars will race in significant quantities – the Birkett having seen such designs on the grid almost every year since their creation - with both a large quantity of Caterham teams as well as similar machinery such as the 750MC's new Ma7da cars. They will be joined by plentiful other one-make formulae from around the Club; from Mk1 MX-5s to Toyota MR2s, Porsche outfits to a team of the new 116 Trophy machines.

**Earlier in the year, we had time to delve into the 750MC archive and start to document the incredible history of Holland Birkett's most well-known race idea – check out the 'Roll Of Honour', list of 'Notable Drivers' and some of the 'Birkett Anecdotes' now available at [750mc.co.uk/formulae/birkett](http://750mc.co.uk/formulae/birkett)**

## GET INVOLVED AT THE SHARP END OF MOTORSPORT

As an active alternative to competing, you could become one of the hundreds of hardy souls who clad themselves in orange overalls each weekend, to carry out the variety of jobs essential to the safe running of an event. It's a serious undertaking and can get you very close to the action at times - writes Peter Harding

Course, Incident, Flag, Post Chief, Pits, Paddock, Assembly, Telephone, Race Rescue Unit etc. - all these basically come under the umbrella of marshaling. However, you don't just come along and do whatever job you fancy on the day; there is a lot more to it than that. Those with no experience start as Trainees and will be placed with experienced marshals at whatever position they are allocated. Training days are available, ranging from fire-fighting, incident handling, use and knowledge of the many flags through to, after years of experience, becoming Examining Post Chief or Specialist.

The 750 Motor Club looks after its Marshals, realising only too well that they are all volunteers and

it has a Sponsorship Scheme to assist new marshals to buy the necessary kit (overalls, wet weather gear etc) or to help with their replacement; this funding uniquely comes directly from the 750 Motor Club competitors by way of donations to our Marshals Fund.

With its many race days the 750 Motor Club has lots to offer to both new and experienced Marshals.

For more information about Marshalling, please contact the Club's Chief Marshal:  
Pete Harding - 07802 505588 or  
chiefmarshal@750mc.co.uk

The Race Rescue Unit is one of the many Marshaling opportunities available
