## MEETING PREVIEW | by James Winstanley

Following a Covid-related hiatus in the 2019 season, 750 Motor Club is delighted to return to Croft Circuit this weekend for the fifth event of the season, with eight formulae in action and 16 live-streamed races.

The Heritage Parts Centre Formula Vee Championship looks set to have a thrilling three-way title battle brewing for the 2021 season, as the Cadwell Park opener last month saw three former champions go head-to-head at the front of the field. After taking last year's crown in the Maverick machine built and developed with his father Dave, James Harridge sees a return of his 2020 rival and 2008 champion Danny Hands (AHS Dominator), however 2018 winner Craig Pollard (Bears GAC) also returned at Cadwell, aiming to share the spoils of the new season.

Another formula that took just one event to showcase a potential season-long rivalry was the Tegiwa Type R Trophy, in its inaugural year with championship status. Both with Civic Cup titles to their name, Lee Deegan and Adam Shepherd went head-to-head for the first time at Silverstone with some impressively close competition, and came away on equal points after alternating wins and fastest lap points. The duo were however joined upfront by Foundation Programme newcomer and former karting ace Luke Rosewell, whilst former 750MC Clio and Stock Hatch protagonists Mark Balmer, Jeff Humphries and Matt Digby are likely to be applying the pressure once again this weekend.

Helped along the way by a handful of technical infringements at the season opener, privateer Ryan Yarrow (Spire GT3S) made a good start to his championship title defence in the Rymax Lubricants Sports 1000 Championship at Silverstone, and heads up the points ahead of championship stalwart Colin Chapman coming into the second event. Team Mittell drivers Victor Neumann and Michael Roots will be looking to claw their way back up the standings at Croft, as will Richard Miles in his family-run Spire.

Having gradually worked his way up the grid since joining as a novice in 2018, Andrew Tait secured an impressive first victory in the Demon Tweeks | Yokohama Locost Championship season opener at Donington Park. Two podium finishes were sufficient to place defending champion Murray Shepherd second in the standings, but it was Croft specialist Simon Walker-Hansell who sits just a few points behind after taking the other Donington victory on offer, and will be looking to make some headway at his local circuit. Former champion Ben Short tops the tables in the 5Club MX-5 Championship, after taking four of the five wins on offer so far this season. The one exception went the way of Mike Comber at Donington Park, but it is Short's team-mate Ben Hancy who remains close behind in third after the Castle Combe triple header.

Two more capacity grids will take to the circuit in the Tegiwa Roadsports Series on Saturday, and Tegiwa Club Enduro Championship on Sunday. Roadsports is set to showcase a variety of lesser-spotted machinery across its four power to weight classes, from Teo Bunyan in an Abarth Punto Evo, to Ian Deaves in an MGF, Neil Primrose and Luke Plummer in Ginetta G20s, and Esther Quaintmere in a Vauxhall Nova GTE. A single point for fastest lap at Donington Park gives Class B protagonist Will Stacey (Lotus Elise S2) the smallest of advantages in the overall Tegiwa Club Enduro Championship standings, ahead of Class A leaders and defending overall champions Rob Baker and Carl Swift (Seat Leon), and Class C leaders Jeremy Crook & Alec Livesley (EP3 Honda Civic). Look out also for the return of Andy Marston in his converted E46 BMW M3, who was a second place finisher on the formula's last visit to Croft back in 2019.

Finally, the RLM Racing Bikesports Championship completes the weekend's lineup with some of the quickest cars in the 750 Motor Club portfolio. Former champion Joe Stables is back for a 2021 title campaign having stepped up to Class A in father Richard's Radical PR6, and whilst the North Yorkshire-based racer is at his home circuit this weekend and took two wins at Donington, there was little to separate former Locost and Sports 1000 Champion Scott Mittell in the new MC41R from his family Mittell Cars stable. Mike Chen made a strong start to his 2021 Class B title defence with two Donington Park victories in his Radical SR3, however two second places at Donington were enough for Matt Moore to sit second in the standings coming into this weekend.

# RLM RACING BIKESPORTS CHAMPIONSHIP

Bikesports was introduced in 2005 and caters for 'slicks and wings' sports-racing cars of any make, fitted only with a production four-stroke motorbike engine and gearbox. Classes cater for both tuned and 'standard' specification motorbike engines plus a budget-conscious sub-1000cc powerplant class, and the structure means it is the UK racing home for non-current Radical models.

## TEGIWA ROADSPORTS SERIES

Roadsports is the eternally popular mini-endurance series for production sports and saloon cars. The formula is designed to offer competitors freedom in tuning with four classes catering for different power to weight ratios, and a 45-minute race duration with compulsory pitstop means that a driver and car change is optional to further reduce the cost of racing.

# DEMON TWEAKS | YOKOHAMA LOCOST CHAMPIONSHIP

Locost racing is one of the UK's most successful forms of club motorsport, with grids regularly exceeding 40 cars year-in, year-out with ultra-close slip-streaming race action. All are built to the same Ron Champion 'Build Your Own Sports Car' book design, using a 1.3-litre Ford engine with control camshaft and modifications limited to a re-bore and basic 'blue-printing'. Yokohama A539 control tyres are extremely affordable and easily last a whole season of competition.

# TEGIWA CLUB ENDURO CHAMPIONSHIP

The UK's biggest championship returns for another busy year, with full grids of production sports and saloon cars and some incredibly varied machinery. As well as live streamed video coverage, sponsor prize vouchers and driver hospitality, the calendar features another trip to Spa Francorchamps. Cars run in three classes separated by power to weight ratio, with outputs enforced by 750MC's own mobile rolling road.

## GET INVOLVED AT THE SHARP END OF MOTORSPORT

As an active alternative to competing, you could become one of the hundreds of hardy souls who clad themselves in orange overalls each weekend, to carry out the variety of jobs essential to the safe running of an event. It's a serious undertaking and can get you very close to the action at times - writes Peter Harding

Course, Incident, Flag, Post Chief, Pits, Paddock, Assembly, Telephone, Race Rescue Unit etc. - all these basically come under the umbrella of marshaling. However, you don't just come along and do whatever job you fancy on the day; there is a lot more to it than that. Those with no experience start as Trainees and will be placed with experienced marshals at whatever position they are allocated. Training days are available, ranging from fire-fighting, incident handling, use and knowledge of the many flags through to, after years of experience, becoming Examining Post Chief or Specialist.

The 750 Motor Club looks after its Marshals, realising only too well that they are all volunteers and

it has a Sponsorship Scheme to assist new marshals to buy the necessary kit (overalls, wet weather gear etc) or to help with their replacement; this funding uniquely comes directly from the 750 Motor Club competitors by way of donations to our Marshals Fund.

With its many race days the 750 Motor Club has lots to offer to both new and experienced Marshals.

For more information about Marshalling, please contact the Club's Chief Marshal: Pete Harding - 07802 505588 or [chiefmarshal@750mc.co.uk](mailto:chiefmarshal@750mc.co.uk)

The Race Rescue Unit is one of the many Marshaling opportunities available
