## MEETING PREVIEW | by James Winstanley

After an unusual 12 months for UK motorsport, 750 Motor Club returns to its home circuit of Donington Park this Easter Monday, little more than three months since the last visit for a rescheduled December 2020 season finale.

One of those formulae in attendance, two of the UK's closest and most popular championships start their new seasons this weekend, in the Demon Tweeks | Yokohama Locost Championship, and the 5Club MX-5 Cup. Both went down to the wire in the last race of the season, where it was Murray Shepherd who took the coveted Locost honours after a season-long battle with eventual runner-up Craig Land in the Seven-esque kitcars.

Both drivers return for a 2021 title campaign, with Shepherd aiming to defend his title alongside historic racing commitments, and Land aiming to climb one spot higher this year. Whilst Shepherd is - rather unusually for the evergreen formula - the only former champion on the grid, the duo still won't have an easy time of it - with perennial frontrunner Martin West and 2020 title protagonists Geoff Peek and Andrew Tait, multiple 750MC race winner Simon Walk-Hansell, alongside a whole host of newcomers.

The same rings true for the MX-5s with the return of the longstanding championship's only back-to-back champion Ben Hancy, however the Northamptonshire-based businessman will have a whole host of known MX-5 frontrunners to deal with in addition to returning 2020 rivals, from multiple champion and team-mate Ben Short, to Mike Comber and multiple former Locost champion Declan McDonnell. Furthermore, the entry includes pro E-Sports racer and YouTube star Jimmy Broadbent in his first non-virtual race meeting, plus BTCC driver and 2011 Formula Vee Championship runner-up Mike Epps, making a welcome return to his 750 Motor Club roots.

Former US single-seater star Charles Hall returns to defend his overall and Class A RLM Racing Bikesports title in his Spire GT3, but with two-time former champion Joe Stables also lining up as well as Scott Mittell and various experienced frontrunners, it could make for another close season. Look out for rising Class B driver Leon Morrell aiming for a 2021 class title campaign, and we are pleased to welcome a handful of Global GT Lites to the Bikesports grid this year, as well as the return of the Sabre Escala in the hands of Stephen Bell.

A huge 49-car capacity grid will contest the opening round of Tegiwa Club Enduro; the UK's largest championship, with entries split across three power to weight classes. Both with previous Civic championship titles to their name, the overall 2020 championship went the way of Rob Baker and Carl Swift in their Seat Leon Eurocup, and the Area Motorsport duo return with a title defence in mind. Defending Class B champion Luke Handley (VW Golf) and 2020 runners-up Chris Freeman/Jon Munday also return with the Area team, as well as the Golf of Will Beech & Mark Grice, and Class C runner up Andy Baylie, having stepped up to B for the new season. Having impressed with an outright win in tricky conditions in December's Roadsports race, Jonathan Packer will also be one to watch in Class C, with defending champions James & Darren Kell not present.

Having narrowed the gap as the 2020 season progressed, experienced BMW racer Andy Schulz and Matthew Hampson will be looking for more silverware in their E46 BMW M3, as will Joe Jock and Ash Hicklin in their wide-arched variant and the Amspeed E36 version in the hands of Adam Howarth and Chris Boardman. Two seasons of development are starting to pay off for Darren Ball and the Routec Racing team's Porsche Cayman in Class A, but don't discount 2019 champion Steve Cheetham and his Lodge Sports Racing outfit in his well developed Boxster, whilst new cars to the grid at this meeting include the Lundy's Toyota Celica, and the Nissan 370Z of David May and Mark Skeats.

Finally, a whole host of fascinating muscle cars, classic sports cars and Porsches will take to the grid for the combined CALM All Porsche Trophy and Bernie's Sports-Racing & V8s. With the Porsches featuring everything from Caymans to Boxsters, 968s and 944s, Bernie's will show off various rorty TVRs, MGB V8s, Cobra replicas, NASCARs, ASCARs, and the Chodosh family's well-known matt black C1 generation Chevy Corvette.

All today's races will be streamed live online by Alpha Live. Head to [www.750mc.co.uk/LIVE](http://www.750mc.co.uk/LIVE)

## 5CLUB MX5 CUP

From the original architect of MX-5 racing in Europe; this tightly-controlled one-make championship for the Mk1 roadster puts the focus on driver ability and is as competitive as it is great value; with fixed fee triple-header meetings throughout 2018. Many successful drivers have used the formula to hone their skills before stepping up to victories elsewhere, and regulation compliant cars can be bought for less than £5000.

## RLM RACING BIKESPORTS CHAMPIONSHIP

Bikesports was introduced in 2005 and caters for 'slicks and wings' sports-racing cars of any make, fitted only with a production four-stroke motorbike engine and gearbox. Classes cater for both tuned and 'standard' specification motorbike engines plus a budget-conscious sub-1000cc powerplant class, and the structure means it is the UK racing home for non-current Radical models.

## DEMON TWEETS | YOKOHAMA LOCOST CHAMPIONSHIP

Locost racing is one of the UK's most successful forms of club motorsport, with grids regularly exceeding 40 cars year-in, year-out with ultra-close slip-streaming race action. All are built to the same Ron Champion 'Build Your Own Sports Car' book design, using a 1.3-litre Ford engine with control camshaft and modifications limited to a re-bore and basic 'blue-printing'. Yokohama A539 control tyres are extremely affordable and easily last a whole season of competition.

## GET INVOLVED AT THE SHARP END OF MOTORSPORT

As an active alternative to competing, you could become one of the hundreds of hardy souls who clad themselves in orange overalls each weekend, to carry out the variety of jobs essential to the safe running of an event. It's a serious undertaking and can get you very close to the action at times - writes Peter Harding

Course, Incident, Flag, Post Chief, Pits, Paddock, Assembly, Telephone, Race Rescue Unit etc. - all these basically come under the umbrella of marshaling. However, you don't just come along and do whatever job you fancy on the day; there is a lot more to it than that. Those with no experience start as Trainees and will be placed with experienced marshals at whatever position they are allocated. Training days are available, ranging from fire-fighting, incident handling, use and knowledge of the many flags through to, after years of experience, becoming Examining Post Chief or Specialist.

The 750 Motor Club looks after its Marshals, realising only too well that they are all volunteers and

it has a Sponsorship Scheme to assist new marshals to buy the necessary kit (overalls, wet weather gear etc) or to help with their replacement; this funding uniquely comes directly from the 750 Motor Club competitors by way of donations to our Marshals Fund.

With its many race days the 750 Motor Club has lots to offer to both new and experienced Marshals.

For more information about Marshalling, please contact the Club's Chief Marshal:  
Pete Harding - 07802 505588 or  
chiefmarshal@750mc.co.uk

The Race Rescue Unit is one of the many Marshaling opportunities available
