MEETING PREVIEW | by James Winstanley

Following a quick turnaround from Silverstone International last month, the Swallow Hill Homes F1000 Championship and Tegiwa Club Enduro Championship arrive at Oulton Park for the second event of their shortened 2020 seasons. After the triple-header in Northamptonshire, it was 2019 title protagonist Dan Clowes who came away as the resounding F1000 points leader; taking three wins from three to top the table ahead of impressive 2020 newcomer Jack Tomalin. Clio graduate Edi Falkingham lies third having come close to his first podium on two of the three outings, whilst defending champion Matthew Booth will be looking to make amends this weekend after being plagued by engine woes in the run up to Silverstone and suffering a DNF in race three.

With three class championships up for grabs as well as the overall title, Silverstone winners in the Tegiwa Club Enduro Championship will need to make headway here today in the five-round 2020 season. After two seasons of development and bad luck whilst getting to grips with his BMW 135i, the work finally paid off for Colin Gillespie at Silverstone to take a well deserved Class B victory with his ML Motorsport team, and the Edinburgh-based driver will be looking to pull a points gap from Class B rivals Luke Handley and Chris Freeman/Jon Munday in their respective VW Golf and Honda Civic.

After taking the Class A championship title in 2018 and switching to a Class B Golf in 2019, their Area Motorsport team mate Andy Baylie switched to a Class C-spec Civic for 2020 and came away on the top step of the podium, ahead of former FOMrula Ford racer Ivor Mairs in his new Paul Sheard-run MX-5. Last year's Class A runners-up Rob Baker and Carl Swift were challenged all the way to the flag at Silverstone in their Seat by BMW E36 drivers Rory Hinde and Owen Fitzgerald, but came away with the top points - and best possible start to their title campaign. Reigning overall Club Enduro champion Steve Cheetham however will be one to watch here at his local circuit; the Manchester-based Porsche Boxster driver having switched to Class A for 2020 and made steady progress in his first Silverstone outing, whilst former frontrunner Martin James returns in the Area Motorsport EP3 Civic; still gunning for the Club Enduro win that eluded him in 2018.

Ryan Polley continued 2020 where he left off at Snetterton and Brands Hatch after taking the 2019 championship title in the K-Tec Racing Clio 182 Championship; however this year it is Scott Edgar who is on the charge behind. The Surrey-based driver followed up a second place at the Brands Hatch opener with his well-deserved first victory in the formula in the second outing, to keep Polley within reach going in to rounds five and six this Saturday.

Martin Brooks has showcased an impressive start to his 2020 RLM Racing Bikesports season campaign in his immaculate Radical PR6; the London-based driver sharing Class A victories with 2019 title holder and fellow PR6 driver Josh Smith at the Snetterton opener, before sharing Silverstone victories with overall 2019 champion Joe Stables; who has stepped up to Class A for 2020. It is however Michael Chen who currently tops the overall championship table; the Class B Radical SR3 driver taking all four wins so far on offer this season; mixing it with the Class A cars at Snetterton and fending off longstanding Class B frontrunner Chris Preen at Silverstone.

The BMW Car Club Racing Championship brings another large mixed grid of the popular marque to Oulton Park; following on from a double header opening in tricky conditions at Brands Hatch last month. Brands local Graham Crowhurst impressed in the opener to take not only an M2 Class victory but also come home first on the road against the more powerful M1 machinery in wet weather, with M2 rival Paul Cook behind. Veteran BMW racer but BMWCCR debutant Garrie Whittaker placed third and took the M1 win in his S54-engined E36, ahead of an impressive drive from Lee Piercey, having stepped up from 750MC Roadsports and upgraded his E36 generation 3 Series to suit. Jim Benson did the Class 6 double at Brands Hatch in his E46 330ci, as did Clive Watson in the Cup class, and both will be looking to make headway in the points from respective rivals Kevin Denwood and Paul Laramy.

RLM RACING BIKESPORTS CHAMPIONSHIP

Bikesports was introduced in 2005 and caters for 'slicks and wings' sports-racing cars of any make, fitted only with a production four-stroke motorbike engine and gearbox. Classes cater for both tuned and 'standard' specification motorbike engines plus a budget-conscious sub-1000cc powerplant class, and the structure means it is the UK racing home for non-current Radical models.

K-TEC RACING CLIO 182 CHAMPIONSHIP

This tightly controlled one-make formula for the Renault Clio 182 'Cup' offers some of the closest one-make 'stock hatch' racing available in the UK today, with a huge field of minimally modified, up-to-date hot hatchbacks. Donor cars cost as little as £1000 whilst compliant cars can be built from £5000, and regulations such as limited tyres keep the season budget to a minimum.

GET INVOLVED AT THE SHARP END OF MOTORSPORT

As an active alternative to competing, you could become one of the hundreds of hardy souls who clad themselves in orange overalls each weekend, to carry out the variety of jobs essential to the safe running of an event. It's a serious undertaking and can get you very close to the action at times - writes Peter Harding

Course, Incident, Flag, Post Chief, Pits, Paddock, Assembly, Telephone, Race Rescue Unit etc. - all these basically come under the umbrella of marshaling. However, you don't just come along and do whatever job you fancy on the day; there is a lot more to it than that. Those with no experience start as Trainees and will be placed with experienced marshals at whatever position they are allocated. Training days are available, ranging from fire-fighting, incident handling, use and knowledge of the many flags through to, after years of experience, becoming Examining Post Chief or Specialist.

The 750 Motor Club looks after its Marshals, realising only too well that they are all volunteers and

it has a Sponsorship Scheme to assist new marshals to buy the necessary kit (overalls, wet weather gear etc) or to help with their replacement; this funding uniquely comes directly from the 750 Motor Club competitors by way of donations to our Marshals Fund.

With its many race days the 750 Motor Club has lots to offer to both new and experienced Marshals.

For more information about Marshalling, please contact the Club's Chief Marshal:
Pete Harding - 07802 505588 or
chiefmarshal@750mc.co.uk

The Race Rescue Unit is one of the many Marshaling opportunities available
