## MEETING PREVIEW | by James Winstanley

A total of five 750 Motor Club formulae will be in attendance this Sunday, where both the Demon Tweeks | Yokohama Classic Stock Hatch Championship and K-Tec Racing Clio 182 Championship arrive at Mallory Park for the penultimate rounds of their closely-fought 2020 contents.

Things are tight at the top of both points tables; former Classic Stock Hatch champion Pip Hammond tops the pile in his Vauxhall Nova GTE, yet it is circuit racing newcomer and oval hotrod ace Ryan Morgan who tags just nine points behind before drop scores are taken into account, in Dad Pete's Fiesta XR2. Lee Scott might currently reside down in an unusual fifth place after sitting out the previous Anglesey double-header, but the multiple former champion holds the lap record here at Mallory, and was a polesitter and double winner last time out in 2019.

Mechanical issues in the second race at Oulton Park might have dropped defending champion Ryan Polley off the top spot in Clio 182 Championship, but the former Stock Hatch racer will still be on a championship drive once drop scores are taken into account, with four wins already secured in 2020. After taking his maiden victory at Brands Hatch back in August, consistent frontrunner Scott Edgar duly tops the table with an eight-point lead over Polley, whilst experienced Clio racer but K-Tec Championship newcomer Simon Freeman sits in third.

The 5Club Racing MX-5 Cup brings a huge capacity field of the ever-popular Mazda sportscars to Mallory Park, where it is former champion Ben Short who leads the standings after Snetterton, Silverstone and Castle Combe outings, before the drop scores are considered. With a trio of races on the timetable for Sunday and just a double-header left to run at Donington in November, Mallory Park will likely hold the key to a 2020 5Club title, with rivals Jason Greatrex, Steve Foden, and defending 2019 champion Ben Hancy all in close contention.

Also Mazda powered this weekend, the Yokohama Ma7da Series will be on track for the fourth time this season, where two newcomers will join the grid - Joshua Platts and regular Roadsports class frontrunner Sam McKee - in the new 750MC formula that utilises Mk2.5 MX-5 engines in converted 'Locost' kit cars. The 2020 victories have so far been shared between Jonathan Lisseter, Matt Cherrington, Ben Powney and Tom Collier, however only Powney and Lisseter are on track this weekend - potentially leaving the door open for a whole host of new challengers, whilst 2020 podium finishers David Winter and Tom Robinson will no doubt have their sights set on the top step at this penultimate meeting of the season.

Finally, the Tegiwa Type R Trophy is on track for its third meeting of the year; once again with multiple new drivers joining the burgeoning grid. This meeting we welcome Gordon Lam, Jonny Shore, Warwick Ellis and former Clio 182 racer Kevin Condon into the affordable one-make hot hatchback formula, as well as the return of Rhys Lewis; the Tredegar-based former rally man having just finished his own Civic build, since sampling a rental car at Snetterton earlier in the season.

## 5CLUB MX5 CUP

From the original architect of MX-5 racing in Europe; this tightly-controlled one-make championship for the Mk1 roadster puts the focus on driver ability and is as competitive as it is great value; with fixed fee triple-header meetings throughout 2018. Many successful drivers have used the formula to hone their skills before stepping up to victories elsewhere, and regulation compliant cars can be bought for less than £5000.

## DEMON TWEETS | YOKOHAMA CLASSIC STOCK HATCH CHAMPIONSHIP

Arguably the formula that defines UK club motorsport to many; Classic Stock Hatch is the affordable and eternally popular formula for fans of retro hot hatches. Any pre-1992 hatchback with a sub-1400cc 16V or sub-1600 8V engine is eligible, whilst Yokohama control tyres, regulated minimum weights and success ballast for podium finishers keep the field incredibly close.

## K-TEC RACING CLIO 182 CHAMPIONSHIP

This tightly controlled one-make formula for the Renault Clio 182 'Cup' offers some of the closest one-make 'stock hatch' racing available in the UK today, with a huge field of minimally modified, up-to-date hot hatchbacks. Donor cars cost as little as £1000 whilst compliant cars can be built from £5000, and regulations such as limited tyres keep the season budget to a minimum.

## YOKOHAMA MA7DA SERIES

Introduced in 2019, the Yokohama Ma7da Series is an offshoot of the eternally popular Locost Championship. Ma7da offers the same ultra-close slipstreaming race action and affordable costs, but with increased performance via a Mazda MX-5 1.8 VVT donor powertrain and more track-focused Yokohama A048 tyres. The rapidly-growing formula is ideal for those drivers looking for a step up in power or maximum performance per pound from any kit-type race car.

## GET INVOLVED AT THE SHARP END OF MOTORSPORT

As an active alternative to competing, you could become one of the hundreds of hardy souls who clad themselves in orange overalls each weekend, to carry out the variety of jobs essential to the safe running of an event. It's a serious undertaking and can get you very close to the action at times - writes Peter Harding

Course, Incident, Flag, Post Chief, Pits, Paddock, Assembly, Telephone, Race Rescue Unit etc. - all these basically come under the umbrella of marshaling. However, you don't just come along and do whatever job you fancy on the day; there is a lot more to it than that. Those with no experience start as Trainees and will be placed with experienced marshals at whatever position they are allocated. Training days are available, ranging from fire-fighting, incident handling, use and knowledge of the many flags through to, after years of experience, becoming Examining Post Chief or Specialist.

The 750 Motor Club looks after its Marshals, realising only too well that they are all volunteers and

it has a Sponsorship Scheme to assist new marshals to buy the necessary kit (overalls, wet weather gear etc) or to help with their replacement; this funding uniquely comes directly from the 750 Motor Club competitors by way of donations to our Marshals Fund.

With its many race days the 750 Motor Club has lots to offer to both new and experienced Marshals.

For more information about Marshalling, please contact the Club's Chief Marshal:  
Pete Harding - 07802 505588 or  
chiefmarshal@750mc.co.uk

The Race Rescue Unit is one of the many Marshaling opportunities available
