

ADVANCE INFORMATION

Tegiwa Type R Trophy - Rounds 11 & 12 Brands Hatch Indy – 26th September 2021

On behalf of Club Time Attack, we extend a warm welcome to all Tegiwa Type R Trophy drivers and teams. It's great to have you with us.

As I'm sure you're aware, the event hosts the Go Japan show – a celebration of Japanese automotive culture - and with this year's theme 'Celebrating Civics', there's going to be plenty of attention on your races.

Here's what's in store:

- Tegiwa Type-R Trophy x 2 races
- Milltek Sport Civic Cup x 2 races
- Time Attack Championship - Round 7
- Motorsport UK Drift Pro Championship Demonstrations
- Civic parade laps
- Go Japan car show: www.gojapan.co.uk

CIVIC PARADE

To commemorate the start of the Civic's 50th year of manufacture and to mark the recent closure of Honda's Swindon plant – where they were made - there will be a parade of Civics before the first race. This will require all competitors in the Type R Trophy and Civic Cup, together with chosen cars from the show, to perform four laps behind the safety car before forming up on the grid. Further details will be provided in the Final Instructions.

With many of the Covid restrictions lifted, there are no restrictions placed on ticket sales or spectator movement. Therefore, weather permitting, we're expecting a good crowd.

Please note that because of the way the show is laid out, the race paddock actually forms part of it, so please keep your area clean, tidy, safe and secure.

ARRIVAL & PADDOCK ACCESS

All race teams will be located in the outer paddock. Your parking area will be indicated on a plan provided with the final instructions.

Access to the paddock will be from 15.00 on Saturday 25th.

Wristbands will be issued to enable pit lane access for team personnel only and to keep out unauthorised personnel.

TICKETS & PASSES

Four tickets will be emailed to each team using the MSV system next week. Please look out for these and because they are sent from a bulk email system, please check your junk folder.

Additional tickets can be purchased here: <https://brandshatch.msv.com/BH-21-JAPAN>

Vehicle passes will be emailed with the final instructions. These should be printed and displayed in vehicle windscreens in order to gain access to the venue.

Please look out for the Final Instructions and further information that will be issued next week.

I look forward to seeing you there!
