The list of Drivers & Groups can be found on the following page.

### Noise Testing:

Drivers must be prepared to be noise tested in advance of taking to the circuit for their first session.

### Track Limits:

During the test day, the circuit will be operating a “sin bin” policy for those who consistently ignore track limits. Marshals will report drivers who have been off track twice, drivers will subsequently be shown the black flag upon which they must enter the pitlane where an official will advise them of where they are breaking track limits. Should that driver then continue to ignore track limits they will be shown the black flag again where they will be brought back into the pitlane and held in a designated area for 10 minutes.
