## Race booking

Go to the **Book** tab and, assuming you're registered for one or more championships, you will see a list of the races in the current year for which you can make an entry:

The screenshot shows the 750 Motor Club website's race booking interface. At the top left is the 750 Motor Club logo. At the top right, a green box displays 'Basket & Check Out Items: 0 Total: £0.00' and a welcome message 'Welcome tim@hoverd.org Logout'. Below this is a navigation menu with tabs: Home, My Details, My Vehicles, Championships, Race History, **Book**, Pay, and Race Prep. The main content area is titled 'Book Events' and is divided into three sections:

- Available Championship Races:** A table with columns: Book, Start Date, Meeting, R. No., Event Description, Circuit, Vehicle, Entry Fee, and Closing Date. Five rows of races are listed, each with a checked 'Book' checkbox.
- Available Open Races:** A table with the same columns as above, but it contains the text 'There are no items to view.'
- Pre-Booked Events:** A green box with red text stating: 'Please note that these items have been pre-booked on your behalf by the race team and must be paid for, these will be added to your basket.'

A 'Book Now' button is located at the bottom right of the page.

Click the buttons to indicate that you accept the supplementary regulations and that you understand the Motor Sports Association regulations and click the **Book Events** button. Shortly after doing this you will receive an email confirming that you have booked the chosen races.

This completes the process of booking, and entering, for races. However, you may well wish to pay for one or more races. You may also use this site to request that the club charges you for each race shortly before each meeting. Using this "bulk entry" system is the best way of ensuring that you don't get stuck on a reserves list because you've forgotten to enter for a race.

Should you wish to pay for all races you can. However, the easiest approach is just to pay for the first race, and then record that the club should take payment for each race in advance of each meeting. You can always rescind your booking for a race by using the **Withdraw** option on the Pay tab in advance of that payment being taken.

Here we show the first race having been selected and then user clicks the **Add To Basket** button.

The race that has been added to the basket disappears from the list and the count of basket items (at the top right of the screenshot) is now one.

Click on the basket summary to proceed to paying for the items in the basket:

At this point you should confirm that you wish to pay for the items in your basket and then click the **Proceed To Checkout** button. After a warning screen you will arrive at a display screen provided by Worldpay, the club's credit card agents. Enter the details of your payment card and ensure that the billing address displayed is correct and make the payment.

Once that payment is complete, you will see this:

Should you wish, you can record, by pressing the **Yes** button, that you would like the club to automatically take payments for future booked races shortly before those races.

You will subsequently receive a confirmation email to confirm that your payment has been taken.

## Upcoming races

Once you have booked for races you can see details about the events on the Race Prep tab:

The screenshot shows the 'Race Prep' tab for a specific race. The page has a green header with the 750 Motor Club logo and navigation links: Home, My Details, My Vehicles, Championships, Race History, Book, Pay, and Race Prep. A shopping basket icon in the top right shows 'Basket & Check Out Items: 0 Total: £0.00' and a welcome message for 'tim@hoverd.org'. The main content area is titled '25 Apr 2015 - RGB Rd 1/2 - Brands Hatch Spring Meeting' and includes a 'Race Overview' section with details like Meeting, Race Description, Meeting Date, Entrant Closing, Race No, Circuit, Vehicle, Date Licence Signed, Comp. No. Allocated, Booked By, Booked On, and Race Entry ID. Below this are sections for 'Vehicle' (AB Performance & Tim Hoverd), 'Sponsor' (with a 'Default Team Sponsor' checkbox), 'Circuit Experience' (with checkboxes for 'First Time On Circuit' and 'Second Driver First Time On Circuit'), 'Correspondance' (with checkboxes for 'Send To Competitor' and 'Use Competitor Alt. Address'), and 'Second Driver' (with a search form and a red warning: 'Dont forget you need to enter your second driver details for this race!').

Here you can, for example, record that this is your first race at a particular circuit or the details of the second driver of your car should that be appropriate for your championship.
