Newey Jewellers
GROUP K SPORTS SERIES

The GROUP K SPORTS CHALLENGE for 1991 enjoys financial support from **Neweys Jewellery Centre, Birmingham**, who for 19 years have been offering an extensive range of gold jewellery to the public at wholesale prices.

The 'Open' category of the Challenge permits extensive engine tuning and suspension modification to commercially-available 'kit cars', whilst still retaining the requirement of current MOT certificate and road-legal tyres.

The 'Restricted' category of the Challenge controls the amount of both engine and suspension tuning permitted to commercially-available 'kit cars', many of which are used regularly on the road.

Awards are for 1st, 2nd and 3rd overall, plus Class awards subject to a minimum number of starters in each class.

The 750 Motor Club
PREWAR AUSTIN 7 SERIES

This is the sixth round of the 750 Motor Club PRE-WAR AUSTIN 7 SERIES, which is run in three classes and on a handicap.

'PRE-WAR' class is for specials in the pre-war style, and standard cars using Austin 7 mechanical components, spoked wheels and an A7 radiator shell.

'KIT CAR' class is for specials built round the bodies available in the '50s and '60s; engine, gearbox and axle to be Austin 7.

'HISTORIC 750 FORMULA' class is for cars built to the 750 Motor Club's original 750 Formula (1949-1966) and cars must have been raced prior to 1966.

The Club organises approximately ten Championship rounds each season, and points scored count towards end-of-year trophies.
