DELLORTO CARBURETTORS are once again the sponsors for the 750 Formula Championship, providing end-of-season prize money for competitors based upon the number of races they start during the year.

The 750 Formula is the longest established formula for sports-racing cars, having been devised by the 750 Motor Club in 1948 around the pre-war Austin 7 which had the 747cc side-valve engine. The formula has progressed now and uses the 850cc Reliant engine giving not only higher performance, but greater reliability.

Awards are for 1st, 2nd and 3rd overall, plus end-of-season awards.
