With support for 1991 from leading engine and car tuners, TWINCAM TECHNIQUES, this series is aimed at the owners of genuine roadgoing Lotus cars of all types and is split into 4 classes, including one for 'bog-standard' vehicles. All cars must be road legal and have current MOT, run on road tyres and comply with various technical and safety requirements..

Awards, provided by the sponsor, are for 1st, 2nd and 3rd overall, plus Class awards subject to a minimum number of starters in each Class.

The aim of the Challenge series is to encourage owners of Porsche cars to try racing, either for the first time, or as a relatively low-key pastime with no championship at stake.

Very few modifications are allowed beyond showroom specification. Standard wheels and tyre sizes, and a choice of mass production road tyres only, help to keep the costs of competing to a minimum. Full interior trim has to be retained to help reduce some preparation costs.

The series was very popular in 1990 with many race grids being oversubscribed. The cars are run in four classes, with these being split according to power-to-weight principles as used in the other production classes run by Porsche Club GB.

Choosing a winner is always difficult, with different classes running together, but the outright winner will either be driving a 944 Turbo or a 2.7 RS Carrera. Everyone tries hard, and watch the battles for class honours go on throughout the field.

The GROUP K SPORTS CHALLENGE for 1991 enjoys financial support from Neweys Jewellery Centre, Birmingham, who for 19 years have been offering an extensive range of gold jewellery to the public at wholesale prices.

The 'Open' category of the Challenge permits extensive engine tuning and suspension modification to commercially-available 'kit cars', whilst still retaining the requirement of current MOT certificate and road-legal tyres.

Awards are for 1st, 2nd and 3rd overall, plus Class awards subject to a minimum number of starters in each class.

BREUER GmbH, one of Europe's largest suppliers of static and mobile cranes and heavy lifting-gear, are the sponsors for this year's Roadgoing Sportscar Series. All cars must be genuine production cars as approved by the 750 Motor Club, and all must have a current MOT certificate. Engine and suspension are free within certain limits, and tyres must be road legal. Very close and exciting racing can be guaranteed.

Awards are for 1st, 2nd and 3rd overall, with Class awards subject to a minimum number of starters in the classes.

The GROUP K SPORTS CHALLENGE for 1991 enjoys financial support from Neweys Jewellery Centre, Birmingham, who for 19 years have been offering an extensive range of gold jewellery to the public at wholesale prices.

The 'Restricted' category of the Challenge controls the amount of both engine and suspension tuning permitted to commercially-available 'kit cars', many of which are used regularly on the road.

Awards are for 1st, 2nd and 3rd overall, plus Class awards subject to a minimum number of starters in each class.

CLOSED-WHEEL LIBRE HANDICAP RACE

This Race is open to competitors from Races 1, 2, 3, 4 and 5 in today's programme, and will run on a handicap.

The grid placings and the start procedure will be exactly as per a normal race, but drivers will have a time penalty added to their total race time, and the finishing order will be determined from those adjusted times.

Awards will be to 1st, 2nd and 3rd on adjusted times.

Today's meeting is organised by the 750 Motor Club, with all the officials being motor racing enthusiasts who participate in their spare time.

Being a marshal involves you in the sport 'on the inside', and the opportunities available are many and varied. Incident, Fire, Flag marshals and Observers all work 'on the bank'. Other opportunities exist for Paddock and Pits/Startline marshals.

If you would like further information on marshalling, please complete the form below and send it to
