Chairman's Message

Croix en Ternois

The idea of running a meeting in France is one which I have cherished for our Club for years. Not until we became "part of Europe" has it become administratively possible. Even so, Robin Knight has had quite a mountain de roubon rouge to cut through.

I thoroughly applaud the concept together with the considerable effort and bold initiative on Robin's part to get this first of what I hope will be many 750 M.C. meetings on mainland Europe to happen.

I wish I could be present, but am secretary to another 750 event back in Blighty on the same days and am departing for hols on foreign shores a few days later, both of which make a visit impractical.

With the considerable amount of planning that has been given to make Croix en Ternois a success, I hope it does not seem superfluous to add my best wishes for a happy, enjoyable and trouble-free weekend.

Barry Martin.

The above cars & drivers will have practiced with the Formula 4 cars (from Race 5). They will be joined for this race, Race 7, by a selection of Formula 4 cars for a Libre type race. Grids for this race will be by times set in practice session 5.

This will be the final race on the Saturday.

SUNDAY 28th

There are a few drivers who are sharing cars and will not have raced or practiced on the Saturday. In order for them to qualify for Sunday's races, there will be a short familiarisation session for all these drivers on the Sunday morning, commencing at 10.00.

The races on Sunday will be in the form of heats and finals; the grids for the heats will be decided by ballot (ie the drivers names will be pulled out of a hat) and the order in which they are chosen will decide their grid slot. The grids for the final races will be decided by the drivers finishing positions in the heats.
